Judges

On the Court's own motion, in lieu of dismissing the claim of appeal for lack of jurisdiction because the February 3, 2011 order denying a motion for relief from judgment is not a final order appealable of right, MCR 7.202(6)(a); MCR 7.203(A), the claim of appeal is treated as an application for leave to appeal.

Within 56 days of the date of this order, appellant shall provide to the Clerk of this Court five copies of a brief in support of the application for leave to appeal conforming to MCR 7.212(C) or alternatively a statement that he wishes to rely on the brief submitted with his claim of appeal as a brief in support of his application, proof of service of the supporting brief or alternative statement on all other parties to this case, and a copy of any appropriate transcripts as provided by MCR 7.205(B)(4) or an appropriate substitute for the filing of transcripts as provided by MCR 7.205(B)(4). Any other party in the case may file an answer to the supporting brief within 21 days of service by appellant of the supporting brief or a statement that appellant is relying on his previously filed brief as his supporting brief. See MCR 7.205(C). Thereafter, decision on the application will proceed under MCR 7.205(D).
